

SUP4Israel (S4IL) Whitepaper

1. Introduction

SUP4Israel (S4IL) is an Ethereum-based ERC-20 token launched to support trusted causes in Israel, specifically focusing on nature preservation and cultural restoration. Our mission is to leverage blockchain technology to fund initiatives that ensure a sustainable future while preserving Israel's rich cultural heritage. A 10% transaction fee is applied to all S4IL transactions, with 70% of the proceeds directly funding these charitable initiatives, explicitly excluding any military-related activities.

2. Token Details

- **Name:** SUP4Israel
- **Symbol:** S4IL
- **Contract Address:** 0xA8C0e61a46Fd6bc1aA8e45ED6fEFBE8a09Cedb2d
- **Blockchain:** Ethereum Mainnet
- **Total Supply:** 20,000,000 S4IL tokens
- **Decimals:** 18
- **Trading Platform:** Available on Uniswap
- **Transaction Fee:** A 10% fee is applied to each transaction. This fee is automatically deducted and allocated to support our mission.

3. Purpose and Mission

SUP4Israel aims to unite a global community through blockchain technology to support two primary causes:

- **Nature Preservation:** Funding reforestation, wetland restoration (e.g., Hula Valley projects), and biodiversity conservation initiatives in Israel.
- **Cultural Restoration:** Supporting the restoration of historical sites and old cities (e.g., Old City of Acre) to preserve Israel's cultural heritage for future generations. Our commitment is to transparency and impact, ensuring that funds are directed to verified nonprofit organizations and projects, with no allocation to military purposes.

4. Presale and Token Distribution

- **Presale Start Date:** April 1, 2025
- **Presale Allocation:** 500,000 S4IL tokens (2.5% of total supply)
- **Token Sale Address:** 0xFA44853b8923a355dbef982a60ee331953ed5ced

5. Transaction Fee Structure

A 10% transaction fee is applied to all S4IL token transfers. This fee is automatically deducted from each transaction and allocated as follows:

- **70% to Charitable Causes:** Directly funds nature preservation and cultural restoration projects in Israel.
- **15% to Community Development:** Supports marketing, partnerships, and community engagement initiatives.
- **15% to Operational Costs:** Covers platform maintenance, development, and administrative expenses.

6. Team

- **Founder:** Silver Jared Bijlsma, a blockchain enthusiast with a passion for social impact, committed to transparency and sustainable development in Israel.
